

# CENTER FOR ARCHAEOLOGICAL INVESTIGATIONS

## Research Paper No. 53

Archaeological Excavations at the Fitzgibbons Site,  
Gallatin County, Illinois

[Close Window](#)

### Contents:

1. Introduction
  - Project Purpose and Background
  - Environmental Setting
  - Research Setting and Archaeological Background
  
2. Research Objectives
  - Culture History
  - Settlement and Subsistence Strategies
  - On-Site Activities
  - Bioanthropology
  - Social Interaction/Exchange
  - Historic Period Occupation
  - Project Limitations
  
3. Research Methodology
  - Field Methodology
  - Analysis of Materials
  
4. Results of Fieldwork
  - Site Boundary Determination
  - Soils and Stratigraphy
  - Results of Limited Excavation
  
5. Results of Fieldwork
  - Site Boundary Determination
  - Soils and Stratigraphy
  - Results of Limited Excavation
  
6. Research and Management Summary
  - Research Summary
  - Management Summary
  
- Appendixes
  
- A. Tables of Recovered Artifacts
  
- B. Analysis of Sediments
  - William I. Woods
  
- C. Analysis of Human Skeletal Remains
  - Michael D. Conner and Elizabeth Brandon
  
- D. Analysis of Floral Remains
  - Andrea A. Hunter
  
- E. Analysis of Faunal Remains
  - Jonathan A. Bloom
